

**REMARKS**

**STATUS OF CLAIMS**

In response to the Office Action dated October 16, 2008, claims 1-9, 11-14, 17, 20 and 27 have been amended. As the Examiner has indicated that claims 1-28 are pending in the application, it is presumed that claims 3-5, 7, 13, 15 and 18, previously withdrawn from consideration as being directed to non-elected species, have been rejoined.

The indication that claims 1-28 are allowable, subject to correction of minor informalities, is acknowledged and appreciated.

**CLAIM OBJECTIONS**

Claims 1, 2, 3, 8, 9, 11, 14, 17, 20 and 27 have been objected to for having minor informalities.

By this response, claims 1, 2, 3, 8, 9, 11, 14, 17 and 27 have been amended as suggested by the Examiner, except for the changed suggested to line 6 of claim 17.

With respect to claim 17, line 6, the Examiner maintains that “by means of electric charges” should be “by means of the electric charges”. However, line 6 of claim 17 recites “by means of electric *discharge*”, which is correct.

With respect to claim 20, the Examiner maintains that in line 3, “a complementary color filter” should be changed to “the complementary color filter”. However, Applicant believes that changing the recitation to “one of the plurality of complementary color filters” is more appropriate in view of what has been recited in claim 1.

**CONCLUSION**

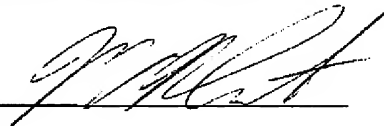

In view of the above, Applicant believes the pending application is in condition for allowance.

Should there be any outstanding matters that need to be resolved in the present application, the Examiner is respectfully requested to contact Edward J. Wise (Reg. No. 34,523) at the telephone number of the undersigned below, to conduct an interview in an effort to expedite prosecution in connection with the present application.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any additional fees required under 37.C.F.R. §§ 1.16 or 1.14; particularly, extension of time fees.

Date: December 9, 2008

Respectfully submitted,

By
